

Tips for A Successful Audition!

- Students must be between the ages of 11 – 17 years old
- Students should be performance-ready and have studied their art form for three years. This can be self-taught, private or group instruction. The student must show and display advanced skills at the time of audition.
- For Music, Theater or Dance: be prepared to perform a 2 – 5 minute piece
- For Art: have at least 3 pieces of artwork that shows diversity
- Be prepared to answer questions regarding your performance, your knowledge about the art form and present yourself in a professional respect. Speak clearly. Dress conservatively.
- A letter of recommendation from a teacher or mentor should accompany the application
- Know the application deadline for the current year! We cannot accept applications after a deadline date. If the date is not shown, call the school at 779-4322 or check back at a later time.
