 - Students/Parents are responsible for the information contained in the Student Handbook.
 - St. John School of the Arts referred to as SJSA.
 - Classes and Lessons shall be referenced as the same.

- **SJSA Website**

- Find complete and detailed information including all application forms.

❖ National Guild of Community Arts Education

- SJSA is a member of this guild, which serves as an informational and communicative outlet.
- Serves to connect us with other community fine arts schools, which keeps us “in check” and ensures we are working within our capacity as a higher learning facility.

❖ Programs/Scholarships

- **Fellowship Study Program**

- Designed to give students and/or parents a way to assist the school in production, fundraising events or other functions with a discount on tuition.

- **The Ruth “Sis” Frank Arts Fund**

- Performance-Merit Scholarship Award: auditions are held in June and awards are given upon the scoring outcome of three individual judges. The award is added into the tuition for the upcoming school year.
- Financial Assistance: determined by a parent/guardian’s most recent tax return along with the financial assistance application.

❖ School Policies and Procedures

- **Sessions**

- School Term is approximately 35 weeks
- Summer Programs (to be determined)
- Summer Instrumental Lessons (at discretion of teacher)

- **Registration Procedures**

- Every student must complete registration before attending class(es). This can be done in the office, at the Meet and Greet event the Saturday before school opens or you may email the form to: registration@stjohnschoolofthearts.org. However, the first month’s payment and registration fee must be received before the first class. Please note that if there is an outstanding balance from a previous year, no registration will be accepted until the previous balance is paid in full.
- Each returning student upon registering will be charged a non-refundable \$10 yearly fee, \$25 for new students. Classroom supply fees may be incurred as well.
- If your child is in any movement classes i.e. ballet, jazz, hip hop, tap, creative movement and/or tumbling, costumes **will be** purchased for the end of the year recital. If your child **IS NOT** participating, you **must** indicate that on the registration form; otherwise, your child will be ordered a costume and you will be responsible for the charge. Costumes are usually ordered many months before the recitals in May. If a costume is ordered for your child and we were not told that he/she will not be participating, then you will be responsible for that payment.
- Payment options will be established.
- If a student is not on the roster, the teacher will ask the student to observe class until his/her registration has been completed.

- **School and Classroom Etiquette**

- Students are expected to be on time for all classes as they will begin and end on time. If a student arrives late for class, he or she will be admitted to class only at the teacher’s discretion and a private lesson will not run “over time” to accommodate for student tardiness.

- Each student must be picked up from the school (or class location) within 15 minutes from the end of his/her class, unless prior arrangements are made and SJSA is informed.
- Students are expected to be attentive and respectful of other classmates.
- Climbing on trees/banisters, throwing rocks, touching neighbors' trees or running around the school or classroom is strictly prohibited.
- Screaming or obscene language will not be tolerated. SJSA reserves the right to suspend any student due to continued disruptive behavior, poor attendance or lack of payment.
- No one is allowed in the classroom other than the teacher and the student(s). Waiting parents or siblings must stay outside. Visitors need to have permission from the teacher to observe before class time. Awaiting parents/siblings or others are asked to refrain from loud talking or noise.
- There will be no eating or drinking, except for water inside the building; you may eat outside, and put your trash in the big garbage can outside. Chewing gum is not permitted.
- Each SJSA department (art, dance, music and theatre) has its own rules governing its class(es) as they pertain to the art form and each instructor may require different responsibilities and conduct from their students.

➤ **Music Department**

- All students will need to own an appropriate instrument in order to make the lessons productive. Piano students unable to own a "real" piano will need a keyboard with "full-sized (76 or 88 keys), touch sensitive weighted keys".
- Students taking private lessons must contact the school immediately when a lesson will be missed. Students missing 3 or more consecutive lessons and failing to contact the school or teacher may lose that lesson time, and, only at the teacher's discretion, be allowed to reschedule a class time.
- All music students need to practice daily to render achievements, which makes the lesson(s) not only fun but also more meaningful. Students must remember to bring their music to every lesson.
- Fingernails should be clipped short, and kept neat and clean.

➤ **Dance Department**

- Leotards and tights and proper footwear must be worn for all dance classes. Hair must be pulled away from face and secured for all dance classes.
- Teachers must be able to see the body's clean lines; baggie shirts and shorts and hair in the eyes is not appropriate attire.
- Students not properly dressed for class may be asked to sit and observe, and will be considered in attendance.
- Bathroom and water breaks should be done ONLY before or after class.
- Leaning on the mirrors and hanging on the dance barre are not permitted.

➤ **Art Department**

- All students must clean up after themselves and put art supplies in the appropriate places.

➤ **Theatre Department**

- Shoes and socks should be removed upon entering the room. Students are requested to wear comfortable clothing that they can move around in easily.
- Bathroom and water breaks should only be done before or after class.
- Polite and attentive behavior is expected at all times, toward the instructor as well as classmates. Students who disregard this requirement will be asked to leave class for the remainder of the period. Repeated infractions will result in permanent expulsion from class.
- Regarding script work, students are expected to memorize their lines in accordance with each deadline given by the teacher. Failure to do so may result in a reduction of the student's assigned role, or exclusion from the final performance entirely.
- Students are expected to be present, prompt, and prepared for all Theater classes throughout the year. Students / Parents are expected to notify the teacher in advance of planned absences.
