

For Office Use

_____ Year

_____ Status

St. John School of the Arts Fellowship Study Program

Application

Fellowship study students will be exposed to all aspects of running an arts school; i.e. office related work, teaching assistantship, heading up extra-curricular school related projects and instrumental maintenance. Students must be at least 11 years old. Adults are also welcome to apply. The student must be able to set mutually agreed upon hours.

Awards are based on students showing responsibility and interest toward the arts school demonstrated through the student's past dedication and desires to continue in the artistic form of choice. This includes reviewing past attendance records, teacher evaluations with regard to artistic performance, respect for the art form and fellow peers and a strong work ethic consistent of focus, homework completion and practice skills.

Student's Name _____ Age (if under 18) _____
